

FAQs about the Resident Discount Program

How does the Resident Discount Program work?:

Santa Barbara city residents will be eligible to receive a 10% discount on designated fees paid for activities and programs and a 20% discount on facility rentals offered through the City of Santa Barbara Parks & Recreation Department with their Resident Discount Card (RDC).

How do I qualify?

You must register as a city resident to receive your free Parks and Recreation Resident Discount Card with your photo and membership number.

How do I prove that I am a City resident?

You must present, in person, a current California Department of Motor Vehicles Driver's License or ID card with a Santa Barbara city street address and zip code of residence. P.O. Boxes are not acceptable. A copy of recent water, gas or electric bill, property tax bill or cable bill is also acceptable for residence eligibility.

Does each member of my family have to register?

Families need only to register one person (adult) for the entire family to qualify. All family members should be registered in CLASS. All family members must live at the same address.

Can the RDC be revoked?

The Resident Discount Card is valid for all family members living at the same household address. The card will be revoked if the family moves out of City limits; the card is transferred to or used by non-family member; the card is defaced in any way; or if the identity of family members or the residence address has been falsified.
